## SYSTEM OVERVIEW

**ACCELERA B** is a seamless 100% solids, solid color quartz broadcast flooring system featuring an extremely quick curing time. Combining durability, UV stability, and excellent chemical resistance, it's the ideal choice for 24/7 operations or anywhere minimal interruption to operations is required.

## FEATURES & BENEFITS

### • Quick Cure

Accelerated curing time as fast as 2 hours per coat

### • Long Lasting

Seamless flooring systems for years of service with minimal maintenance

### • UV / Chemical / Wear Resistant

High quality topcoat for superior wear, UV, and chemical resistance

### • Slip Resistant

Textured finishes aid in a safer floor, even when wet

## COMMON USE SITES
