

# SEAMLESS FLOORING SYSTEMS FOR FIREHOUSES

You need flooring that is durable, low maintenance, and provides slip-resistant surfaces. Dur-A-Flex's seamless flooring solutions offer systems for apparatus bays, locker rooms, kitchens, and much more. With line striping capabilities, as well as a wide range of color options, the options are endless to create a safe and well marked space for vital equipment.

Dur-A-Flex provides a variety of seamless resinous flooring options, a network of trained professional installers, and on-going support so you get a product that stands up to the toughest environments in your fire houses.

## DURABLE

Seamless flooring that stands up to the wear of daily hard use with fewer failure points than tile or VCT

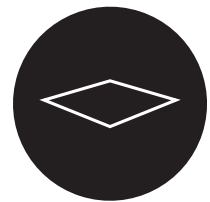

## LOW MAINTENANCE

Flooring solutions with a minimal maintenance regimen last longer and perform better over time than alternative sheet style or synthetic tile options

## SLIP RESISTANT

Textured surfaces to eliminate slip and fall hazards and promote a safe environment

## SEAMLESS

Wall to wall coverage with options for seamless integration into drains and ramps
