

# SEAMLESS FLOORING SYSTEMS FOR MANUFACTURING

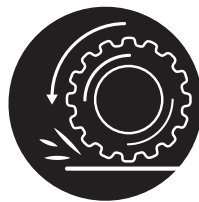

You need flooring that can stand up to day to day abuse 24 hours a day, 7 days a week, 365 days per year. Dur-A-Flex's impact and abrasion resistant seamless flooring systems offer quick installation times to reduce down time in your facility. Wall to wall coverage with integrated coves and drain detailing also means less time on maintenance and more time focusing on your products. Safety first - with high visibility line striping and added non-slip texturing Dur-A-Flex flooring systems have you covered to meet and exceed your safety guidelines.

Dur-A-Flex provides a variety of seamless resinous flooring options, a network of trained professional installers, and on-going support so you get a product that stands up to the toughest environments in your facility.

## DURABILITY

Flooring systems designed to last - standing up to constant vehicle/foot traffic in any environment

## ABRASION RESISTANT

Advanced topcoats designed specifically with resistance to abrasion and harsh chemical byproducts or cleansers

## LOW MAINTENANCE

Integrated seamless coves, ramping, and drain details mean less time on maintenance and more time focused on your products

## MINIMAL DOWNTIME

Quick cure options offer minimal downtime for faster return to service
